

Rachel Wasser

Rachel has been teaching and choreographing in the Monmouth County area for the last 15 years. During that time she taught a variety of jazz and musical theater styles at Shoreline, as well as Red Bank Catholic High School, where she was a 3 time Basie Award nominee for her musical choreography. She also served on the summer teaching staff and choreographed a number of shows at the Count Basie Theater with resident theater company, Phoenix Productions. Rachel recently took a brief hiatus to travel and pursue other creative outlets, launching her own photography business, but she is so excited to be back at home with her Shoreline family!
