

Paddi Golden-Gartner

Miss Paddi is a dedicated, enthusiastic educator with more than 30 years of professional experience in the field of Special Education. Proven success to interact effectively with students at all grade levels and "abilities", to create a positive and productive learning environment. Miss Paddi also organized many events and visits with local districts and businesses, to bring about an awareness of the special needs population, including many visits with **Shoreline Dance Academy!** This program's objective was to teach awareness and compassion for all students in area districts, and throughout the local communities. Her responsibilities in this position included not only outlining a positive and non-judgmental classroom atmosphere, but also creating a culture of acceptance and compassion for all.

Miss Paddi has also collaborated with many professionals over the years in speech, physical, and occupational therapies, as well as the gifted, dedicated, and talented dance teachers at Shoreline Dance!! Working with the students in the, "**Dance**

Celebration Class" on Monday nights is truly a gift and inspiration to Miss Paddi!!!
